That's great. I want to contact some of the other store folks – the clerks and managers and see what they have to say -- they may have had convos with the AD delivery guys that could be revealing. I will gather their info and get on a call with you and Vin to discuss. Could do those by zoom or when you go there. They are less urgent.

Eric,

I know the time is short to get this done so it will be by zoom in the morning.

I prefer in person interviews and will do so when I return the 2 banker boxes of records.

But in the mean time I will mail down the Smith issue and some of the payments from other traffickers not mentioned in your complaint.

I'm free anytime before 11 am to discuss strategy if you would like.

Thanks.

Alex,

Thanks for arranging this. It appears that it is a 6 hour drive to his general location so I wont be able to drive up there tonight and I will have to join the interview on Zoom as indicated below.

Also, I have 2 banker boxes of records that needs to be returned to Mr Riley as well but I can do that on my next trip to DC if that's acceptable.

Thanks, I will speak to everyone at 11 am.
